THAT'S ALL FOLKS!

Did it ever occur to you guys that I came to the library for some peace and quiet...
...so I could read my book?!
Alone.
The only reason you should even be here is if there were a dire emergency!
But I did have an emergency.
I wanted you to conjure us up a pizza.

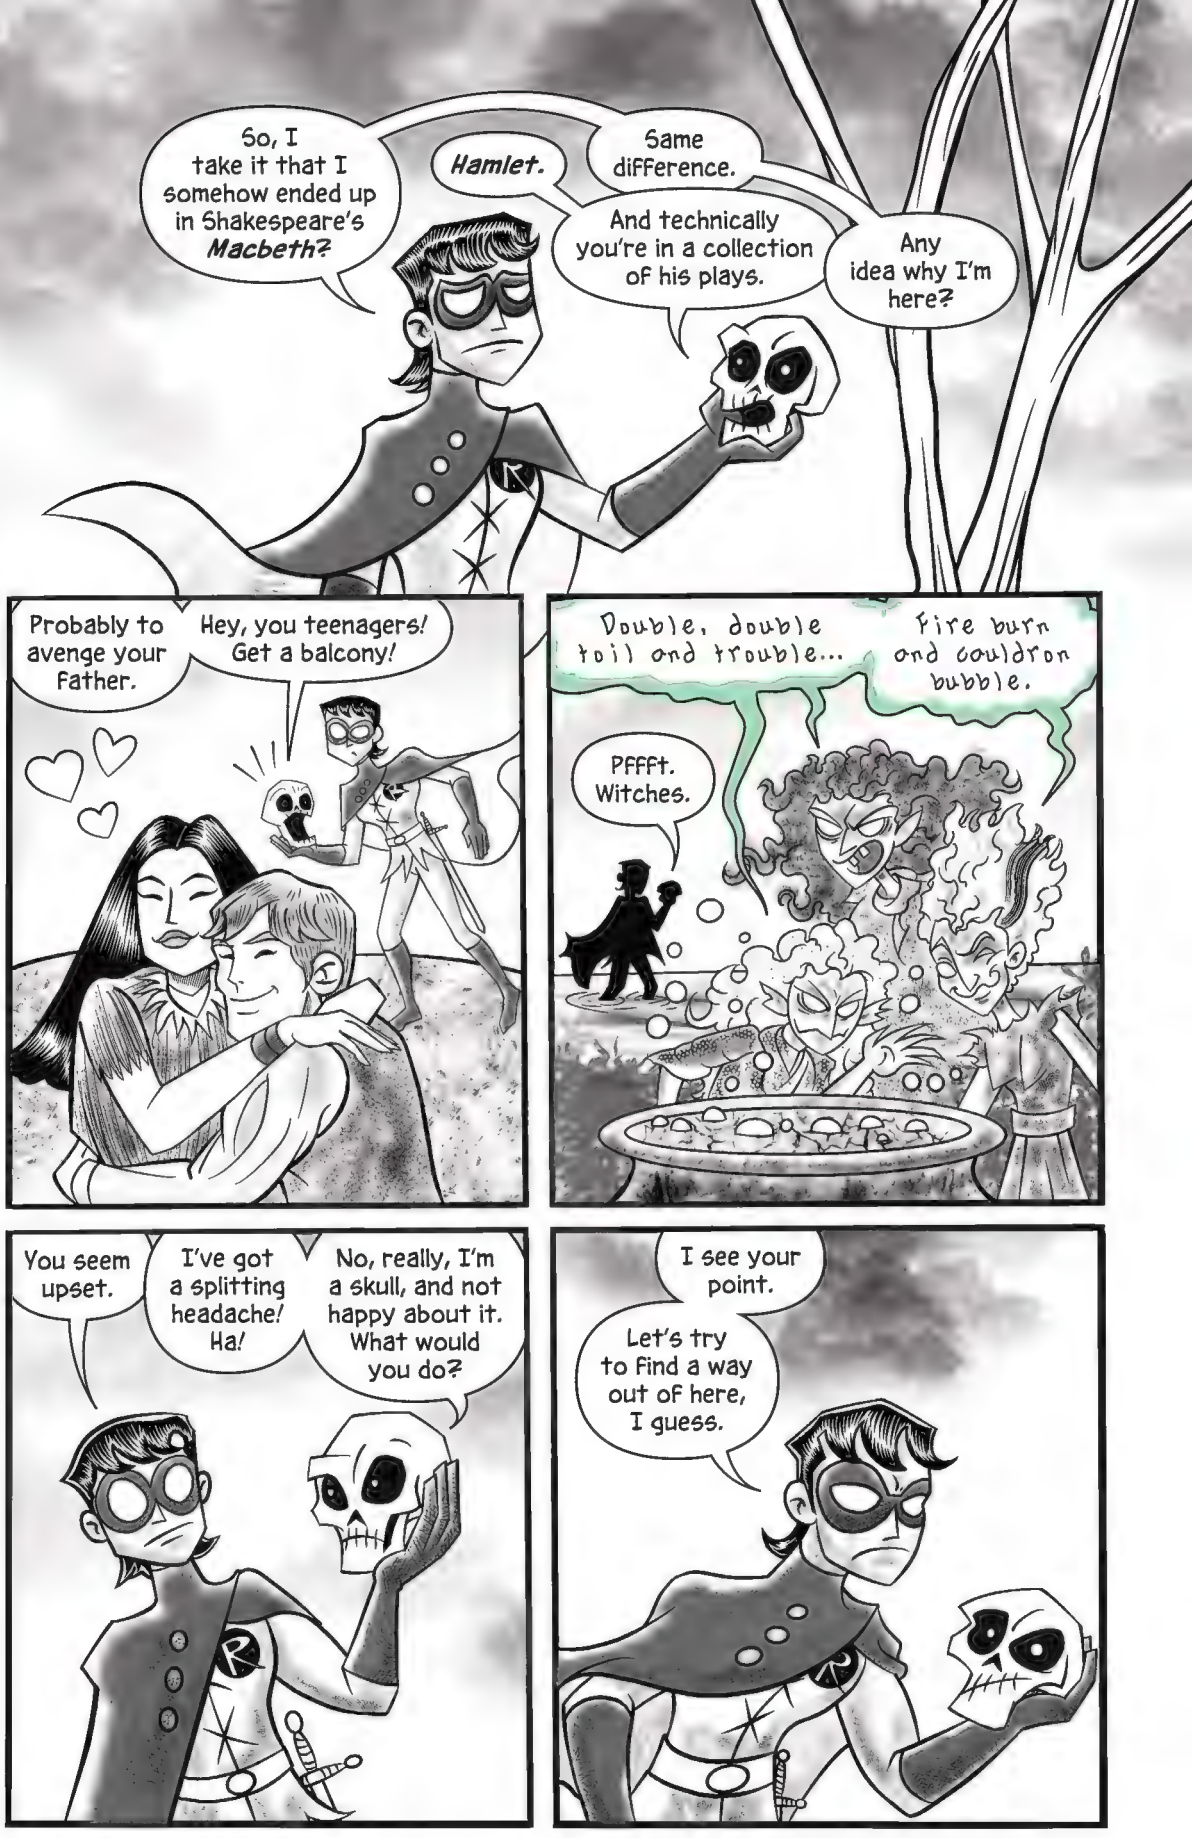
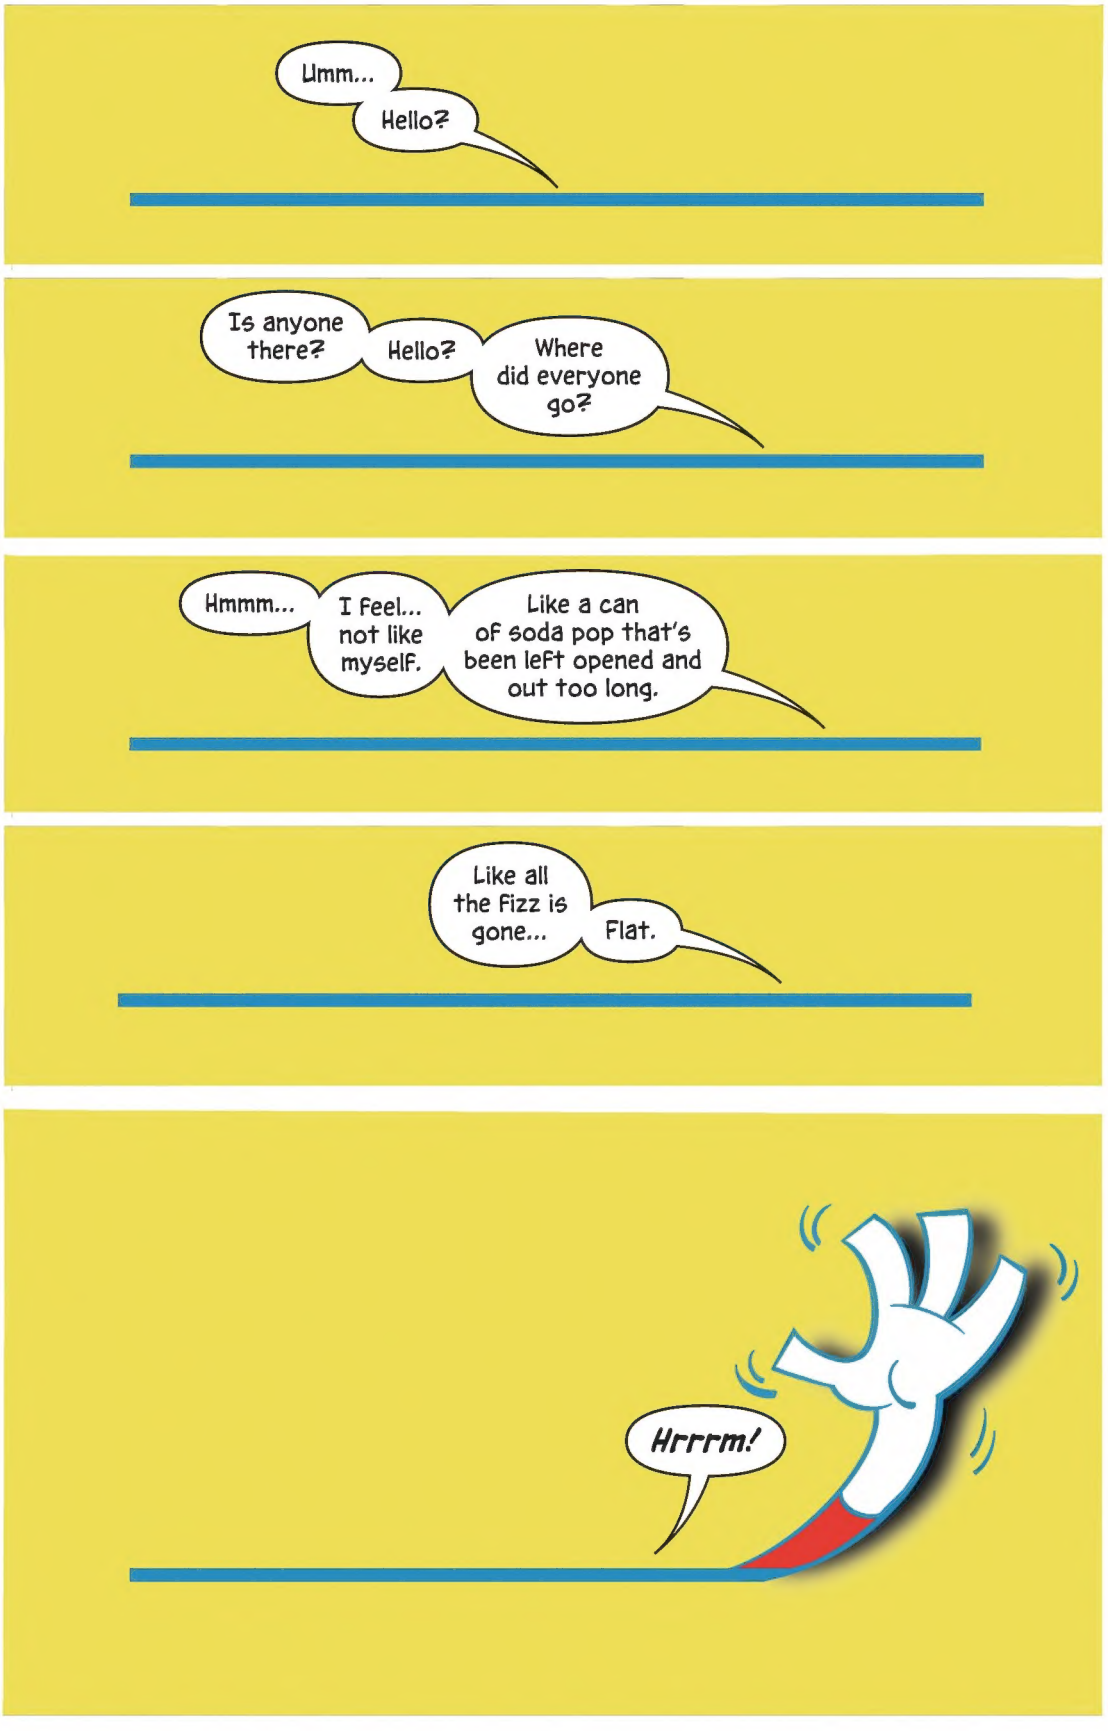
BLUEPRINT

Well, that confirms it. How did I get here?
I zapped the others into books to get them out of my hair for a little while... and to teach them a lesson.
But somehow I ended up in a book myself.
This wasn't supposed to happen.
You're a raven. I'm in a dark and moody poem. I'm in *"The Raven"* by Edgar Allen Poe.
Let me try to reach out to the others and figure out what happened.
Azarath... metrion... zinthos!

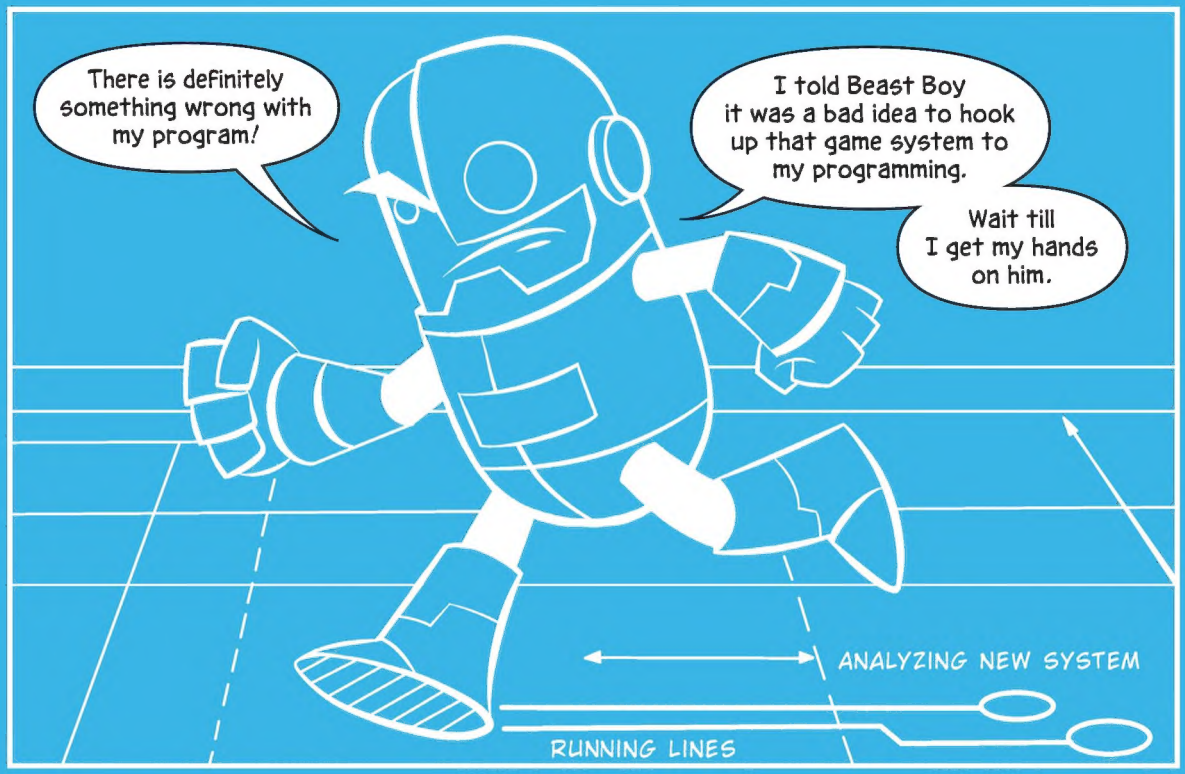


So, I take it that I somehow ended up in Shakespeare's *Macbeth*?
Hamlet.
Same difference.
And technically you're in a collection of his plays.
Any idea why I'm here?
Probably to avenge your father.
Hey, you teenagers! Get a balcony!
Double, double toil and trouble...
Fire burn and cauldron bubble.
PFFFt. Witches.
You seem upset.
I've got a splitting headache! Ha!
No, really, I'm a skull, and not happy about it. What would you do?
I see your point.
Let's try to find a way out of here, I guess.



Umm...
Hello?
Is anyone there?
Hello?
Where did everyone go?
Hmmm...
I feel... not like myself.
Like a can of soda pop that's been left opened and out too long.
Like all the fizz is gone...
Flat.
Hrrrm!

This looks like a dream!
A beautiful, colorful dream.



There is definitely something wrong with my program!
I told Beast Boy it was a bad idea to hook up that game system to my programming.
Wait till I get my hands on him.

Titans! Hear me, Titans!
Raven? Is that you? Where are you?
I'm trapped in a book.
No way, me too! How did we get in here?
I think it was the spell I cast, but something went wrong. I think we're all still in the library but trapped in different books.
Oh good, I thought I ate bad pizza or something.
As lovely as it is in my book, how do we get out of here?
I've tried using my power, but I can't seem to undo this.
We're all connected somehow, though. I can feel it.
I think the best chance we have is to go through our books to find a way out.
How do you know we can get out if we do that?
We are all in different books, but we're connected to another book—one book that is linking us all together.
Look for something in your book that doesn't look like it belongs. That should lead you out of your book.

Can you find the clues to get the kids' noses out of their books?
